Subject: Invitation to join Intel® AI Global Impact Festival 2024

Dear Ma'am

Continuing the momentum of expanding digital readiness for all, Intel is organizing its 4th annual edition of the AI Global Impact Festival. We invite you to join us for the Festival, happening virtually from October 10, 2024, to October 25, 2024.

The objective of this Festival is to democratize and celebrate AI innovation by next-gen technologists and future developers in collaboration with governments, academia, and communities from all over the world. Enriching lives with AI innovation, this festival is a unique platform for student innovators and technologists to showcase their AI -enabled solutions to the world and develop their AI skills.

With enhanced accessibility, this virtual festival is open for anyone, anywhere in the language of their choice. Students, teachers, government officials, and the general public pan India can get certified for completing self-paced micro- learning modules on the latest technological trends, listen to inspirational talks by Intel executive leadership, attend a global showcase of AI innovations and best teaching-learning practices by students and educators, witness best AI skilling practices showcased by academic and implementation partners, and participate in a range of fun and engaging activities.
